TELEPHONE DIRECTORIES

Loss of time and inconvenience by calling wrong numbers can be avoided by consulting the current directory before placing a call.

Between directory issues certain numbers do not appear in the current directory due to changes and new installations. These numbers may be secured by calling "Information".

Telephone Directories distributed from time to time by the Telephone Company remain the property of the Telephone Company, shall not be mutilated, and shall be surrendered upon request or upon delivery of the subsequent issue. No binder, holder, insert, auxiliary cover or attachment of any kind not furnished by the Telephone Company shall be attached to or used with the Directories owned by the Telephone Company, except that this prohibition shall not apply to a subscriber-provided binder, holder, insert or auxiliary cover which contains no advertising, and which is not so attached as to impede reference to essential service information or otherwise interfere with service.

Every effort is made to have listings absolutely correct. However, this Company is not liable for damages arising from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory.

TELEGRAMS BY TELEPHONE

Telegrams may be transmitted to and received from the telegraph office by telephone. To send a telegram or cablegram, call Western Union Telegraph Company, 883-3291. By arrangements with the Telegraph Company, any telephone subscriber may have charges for messages received or sent by telegraph charged to his telephone and collected with his telephone bill.

A Residence Telephone will be changed to business service, if used primarily or substantially for business purposes, or if the residence telephone number is advertised in connection with the sale of products or services, and the subscriber has no business service elsewhere within our system.

INSTRUCTIONS FOR USING THE DIAL TELEPHONE IN BREVARD, NORTH CAROLINA

OBTAIN THE CORRECT NUMBER FROM THE DIRECTORY

Before making a call, make sure you have the correct number as listed in the current telephone directory. If the person, or firm, is not listed, dial Operator and ask for Information for the correct number.

LISTEN FOR THE DIAL TONE

Remove the receiver and listen for the "Dial Tone". The "Dial Tone" is a steady humming sound which will be heard as soon as the equipment is ready for the call. DO NOT BEGIN TO DIAL BEFORE YOU HEAR THIS TONE.

DIALING INSTRUCTIONS

To call Rosman or Lake Toxaway from Brevard dial the regular listed number. If the number is not listed the correct number can be obtained from Information.

To call Brevard or Lake Toxaway from Rosman dial the regular listed directory number. If the number is not listed the correct number can be obtained from Information.

To call Brevard or Rosman from Lake Toxaway dial the regular listed number. If the number is not listed the correct number can be obtained from Information.

If you wish to place a long distance call, which would be any call outside the Brevard or Rosman exchanges, dial operator and place your call.

"RINGING" AND "BUSY" SIGNAL

Within a few seconds after you have completed the dialing, either the ringing signal or the busy signal should be heard.

The ringing signal is a faint, intermittent "burring" sound which indicates the bell of the called telephone is ringing. If, after hearing the signal repeated for a reasonable length of time, you obtain no answer, hang up your receiver and call again later.

The busy signal is a rapid "buzz-buzz-buzz" sound and is heard when the line you are calling is in use. When you hear the busy signal, hang up your receiver and call again later.

REPLACE THE RECEIVER AFTER YOU HAVE FINISHED EACH CALL

The dial service connection is controlled by the calling subscriber. The equipment is restored to normal when the calling subscriber replaces the receiver on the telephone.

If a second call is desired, it can be made after the receiver has been replaced for a few seconds.

OTHER PARTIES ON YOUR LINE

If you wish to know the names of the other parties on your line, you may obtain this information from our Business Office.

TO CALL ANOTHER PARTY ON YOUR LINE

1. Dial our business office and give your telephone number and the number you wish to call.
2. When given the code number, hang up.
3. Dial the code and hang up.
4. When your bell stops ringing, your party has answered.
5. If your bell does not stop ringing within a reasonable time, lift your receiver to stop the ringing, or it will stop automatically in two to four minutes. Try the call later.

If you require any assistance in the operation of your telephone, please stop by the Business Office for a personal demonstration, or the Telephone Company will be glad to send a representative to your home to give you any assistance you desire.

HOW TO MAKE A LONG DISTANCE CALL

1 Dial "Operator" and give her the area code (or city) and telephone number you are calling.

2 If you do not know the number, tell the Operator the name and address of the person you are calling. Tell her also whether it is a station or person call.

FOR *FASTER* SERVICE ON LONG DISTANCE CALLS, USE AREA CODES

The United States and Canada are divided into more than 100 telephone areas, each identified by a three-digit area code. (See map on page 3.) Use area codes to call from one telephone area to another, when the number you are calling has two letters and five numerals or seven numerals. It is not necessary to use area codes when calling another telephone within the same telephone area.

1 PLACING THE CALL

Give the operator the area code (if it is different from the one for the telephone you are using) then the telephone number. For example, say "Area code 311, KL 5-2368," or "Area code 311, 555-2368." If the operator needs to know the name of the place you are calling, she will ask you for it.

2 LEAVE AREA CODE, TOO

When you leave word for a call back from another telephone area, include your area code as part of your telephone number.

Telephones in this Directory Are in the 704 Area.
